Detective McGinley Gets Salary Increase With Rise in Rank

Detective Anthony McGinley of the Fifth Detective District, who is in a serious condition in Sydenham Hospital as a result of gunshot wounds received on Saturday night, has been raised from a third to a second grade detective with a \$200 increase in his annual salary, it was announced yesterday by Police Commissioner Lewis J. Valentine.

The 35-year-old detective, who is married and lives at 1075 Nelson Avenue, the Bronx, was shot in the side and stomach by Louis Austin, to whose home in West Harlem Detective McGinley had gone to settle a family dispute. Austin was killed by the police.

Commissioner Valentine said yesterday he was awaiting an improvement in Mr. McGinley's condition so that he might personally inform the wounded detective of his promotion.
